### Updates From the Road

Dear Praying Churches and Friends,

This month has gone by very quickly and we are looking forward to updating you on our recent information. April has been busy with multiple conferences and meetings! We have been from Tennessee to Indiana, and all the way to North Carolina and back. Many miles traveled and God has kept us safe and the truck running well. Since our last prayer letter we have been taken on for support by three new churches. Praise the Lord!

While we were in North Carolina, we got the privilege of meeting a fellow missionary couple who is currently on furlough from Italy. When we went on our survey trip back in 2019 we were able to visit their church but at that time they were home on furlough. It was such a blessing and encouragement to be able to meet them and talk about Italy and our future there.

As far as prayer requests, we would first like to say thank you for those who were aware and prayed for Felix while he was in the hospital. He caught what seemed to be the stomach flu and had issues with low blood sugar. The Doctors were able to work quickly and get his blood sugar back up and after quite a few bags of IV fluids he was cleared to go home. We felt the prayers being said for Felix and we thank you all so much! Please continue to pray as Emrys and Theo caught the same thing, (though not as severe) and are recovering.

In Christ,  
Trevor Deneau
