## Updates From the Road

Dear Praying Churches and Friends,

Summer is in full swing and we have been enjoying the beautiful weather. Our travels have taken us from Michigan to Ohio and West Virginia for meetings and drop-ins. While in one of our meetings I was able to make a visit with the pastor to a couple's home where the wife was from Italy. She has a heart and a burden for the people back home in her country! What a blessing it was to speak with her and tell of what God has been doing there through the different missionaries. Please pray for this couple as they navigate through some health difficulties.

When we were home we worked on the truck to fix some of the remaining issues, prayerfully this will keep the truck running through the remaining of our deputation travels. The truck did well on this last trip that consisted of 1,400 miles! The last meeting we were in was a Jubilee conference in WV. The boys enjoyed having a children's program that they attended both morning and evening while we heard some wonderful, heart stirring preaching and music. We are so thankful for being able to attend these meetings and meet to many fellow believers!

Thank you for praying for Sabrina's family. Please continue to do so as navigating a death without the hope of Jesus is a devastating path to walk through, but we have faith that God's Word will not return void. Pray that God would continue to give us open doors of sharing His love with them. We also ask prayer for our truck that it will continue to work well as we travel. Thank you for your prayers!

In Christ,
