Missionaries to Italy

Aug. 13th, 2022

Dear praying Churches and Friends,

July has been another busy month! We have been between Michigan, Iowa and South Dakota for our meetings. Time allowed us to spend some special services at our home church over the 4th of July and enjoy a few days with Trevor's parents and family. We have one new supporting church that we were with at the end of last month. Our time and meetings have been very fruitful! Many meetings and conferences have been added to our schedule and that is always a blessing. While in South Dakota we were able to help a church pass out tracts and invitations for their upcoming VBS in the city parade, then we were able to go as a family canvassing in the neighborhoods. The boys enjoyed going door to door with us handing out these invitations and tracts!

In one of our meetings, we were unable to park our camper in the church's RV spot, but the next day we were able to take the camper up the mountains near the Black Hills National Forest, to a church members ranch to park and stay. What a blessing and time of refreshment this was for our family! The boys loved the animals there and all the room to run and we enjoyed the quietness and beauty of the mountains around us. Isn't it amazing to think that God knows and gives us exactly what we need when we are in need of it? His grace is so sufficient! Please pray for us as we get ready for mission conference season that is coming up, pray for our health as we travel and for the boys as it is a very busy time. Thank you for your prayers and support.

In Christ,

Trevor Deneau
