

Dear Prayer Partners,

September 13, 2020

No doubt, you've heard the statement, "A picture is worth 1,000 words." **Perhaps it could be said that the below photo was worth 1,000 prayers. Your prayers made a difference** in the Lord blessing the soccer tournament we hosted two months ago when fourteen young men heard the Gospel! **Your prayers made the difference** in opening the door of opportunity for me to share the Gospel again with these young men on the evening of August 1st when two of them **accepted Jesus as their Savior!**

The following afternoon, these teens came to our home to begin a Bible study. **Dhiogo brought his unsaved friend, Andre.** I witnessed to him and while sitting at our kitchen table, **Andre called on Jesus to save him! Praise God! He is saving souls!**

Your prayers are making a difference.

How delighted I am to see that in-spite of the chaos and craziness in this world, God is still at work!

I literally have a front row seat in **watching the transformation the Holy Spirit has done in the hearts of these new Believers!**

One young man, in particular has **been very faithful in attending each Bible study and church. He is showing growth in his new life.** He agreed to double up on our discipleship lessons to make the most of the time we have remaining together!

Thank you for taking part in spreading the Gospel here in Brazil! What a Mighty God we serve!
