

# The Duarte Family

Dear Prayer Partners,

April 27, 2021

**Thank you for praying for Jed's recent trip to the US.** The original plan was for him to bring Jabez down, but due to some needed paper work on the Brazilian end, the timetable had to be moved back. However, the short trip was by no means in vain as Jed was able to get recurrent with his pilot currency. Big shout to Jon Stanczak, director of Aero Missions for his many hours of instruction! Lord willing, we will fly the airplane down later this year. **Please pray as Jed runs after the paperwork.**

Recently, our town and the surrounding communities have been hit extremely hard by COVID. Many have lost their lives due to the lack of recourses in the hospital. **After a month long quarantine, we were elated to have Sunday School and regular services last week!** Joy was unmistakable in the faces of our church family as they all sang out in praise to God Sunday night! Saturday, we will be hosting another youth outreach. **Please pray many teens will come and their hearts will be open to receive the Gospel.**

After much searching, **God provided a nice rental home for us in Alta Floresta. We are excited to move in two months and begin reaching that city for Christ!** It has been very apparent the closer we get to moving how strong **Satan is opposing our family.** We find it hard to adequately express in words just how much it has meant to have **several of you recently reach out and encourage us.** We are humbled and grateful that often in the midst of your own struggles, **you have steadfastly remembered us in your prayers and literally held the ropes for us. Thank you!**

**"For the Lord your God is he that goeth with you, to fight for you against your enemies, to save you."** Deuteronomy 20:4
