## Visiting More Churches

After a slow end around the Christmas season, our deputation ramped up again in 2020 with meetings and drop ins. We only traveled to three states, Maryland, Virginia, and Delaware but our schedule was still quite busy!

### *Some notable meetings*

There were some meetings that stood out to us. At a missions conference in January, my wife and I went out soul winning with the pastor of the church and his wife. We visited the elderly and it was a learning experience as I was observing how he involved himself into their lives. The love of Christ was clearly seen, it is something that I hope to emulate. After preaching once at the conference, a young person came forward and surrendered to missions work. It is very encouraging to be used of God and to see that happen. Please pray for him.

At one other meeting, we presented our ministry in the morning service and the church immediately voted to take us on! That is the fastest a church has ever decided to support us since our deputation began. We're very grateful to see the Lord meeting our needs more and more.

After arriving to a meeting in February, I found out that I would be presenting and preaching at two churches instead of one. That was an unexpected blessing to share my ministry with two churches! It was also my first experience preaching the same lesson twice in one day to two different congregations.

Towards the end of February, we had a meeting with a church who is restarting their deaf ministry. I had the opportunity to counsel and give feedback to their new deaf leader and their pastor on working with the deaf. Please pray them as they grow this ministry.

**Mission Board:**

World Wide New Testament

Throughout those meetings and more, it was wonderful to create, develop, and to cultivate my relationship with other pastors, something I see that is sorely lacking among deaf pastors in relation to their hearing peers because of a simple communication barrier. I believe that this hurts the outreach to the deaf community more than many realize. It is my prayer that I can help make a difference in this area one day.

*Support Increase*

Over the last two months, our support level went up from 31% to 40%! That is the biggest increase we have seen thus far. The gift from the Church Pioneering Conference certainly helped raised our support. We also just started receiving support from new churches as well. Praise the Lord!

*Prayer Requests*

- For our support to continue to increase.
- For new meetings, we don't have much scheduled from May to August yet.

*-Thank you!!!*
