## More and More Meetings

Over the last two months, we have seen more mileage added to our vehicle as we travel further to raise support. We visited churches in Maryland, Virginia, North Carolina, Georgia, Tennessee, Delaware, and Pennsylvania. Everywhere we go, it is our prayer that we are a blessing to others, and I see this answered each time. It's funny that even our presence alone is enough at some places.

### *Online Missions Conferences*

Since last year, I saw a new trend pop up, online missions/church planting conferences. Over the last two months I participated in two of them, one of which was hosted in Colorado that I would never attempt to contact (unless I exhaust my church directory between my home in Maryland and there but I will reach 100% before that happens). Even at conferences where I was physically present, there were live donations online. I am very grateful for those meetings as they increase our support at a faster rate through multiple means of exposure.

### *Passing of our Founder*

It was during this time that the founder of our mission agency, Dr. Bill Wingard, went home with the Lord. God worked it out that we already had a meeting near the memorial service so we were able to attend. As we learn more about him and his ministry, we're grateful that he obeyed God's calling to set up our missions agency. They take off a lot of burdens off of our shoulder so we can focus on our own ministry. As others who have gone before us and are now watching us, let us keep going and finish our own course: Hebrews 12:1-2a "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith..."

*Support Update*

In March and April, our support went up from 72% to 74%. We're very excited that we're still moving forward!

*Prayer Requests*

- For new continuous support
- For new meetings in the Summer and Fall, we have some openings.
