Closer to the Field!

For the last two months, we have been very busy. We traveled to churches in Maine, Maryland, Virginia, New Jersey, West Virginia, and Pennsylvania. During this time, we also started reporting in person about our ministry to some of our supporting churches, especially those who have been with us since the beginning.

Offer on a house accepted!

We were curious if we could get a home loan with our current missionary income. I honestly wasn't expecting much since we didn't have much to show to the bank but we got pre-approved for a mortgage well within our budget. So we went house shopping inside Philadelphia between meetings. We found a house that matches our criteria and price range. We made an offer and it was accepted within 40 minutes!

Then of course started the complicated process of the mortgage approval. It was quite a juggle filling out all of the forms as a first time homebuyer, having meetings, and packing. As a self-employed missionary, a lot more extra paperwork was required than normal. The paperwork seemed endless.

In the end, we were able to put in a down payment and still afford the closing costs, which were quite a sticker shock. We're very grateful for God's provision to buy the house. On August 31st, we closed on the house and received the keys to our new home in the field! We'll be moving in September!

Deaf Church Plant Update

In our last prayer letter, we mentioned that our deaf church plant will start next year. After some consideration, we believe that the best time to start our church plant will be in the Spring of 2022. We will figure out the details this coming Winter when our travels and moving are mostly settled.

Support Increase

In July & August, our support went up from 83% to 88%!

Prayer Requests

- For our support to increase
- For more meetings in December to February
- For figuring out the exact date and location for the deaf church plant

-Thank you!!
