"Hear the word of the LORD, O ye nations, and declare it in the isles afar off..." - Jeremiah 31:10

2th Quarter 2016

Dear Praying Friends,

We thank the Lord for a wonderful quarter. Of course, we have stayed very busy with the Radio Ministry as well as the preaching and teaching we do, but one unique opportunity I had was to preach the K-4 graduation service. To one side I had the most darling and rambunctious group of 4 year olds you've ever seen and on the other side I had over one hundred proud parents and family members snapping shots like paparazzi. While it was very challenging to keep everyone's attention, it was also **a great opportunity to share the Gospel** with many unbelievers.

Another exciting event was the "Graduation Youth Rally" hosted by the Calvary Baptist Church at the Calvary Christian Academy. The guest speaker brought a wonderful message and at the invitation, many in the crowd expressed their need to be saved. The Lord opened up the opportunity for me to talk to two young men at the rally and, praise the Lord, they both prayed to receive Jesus Christ as their personal Savior. Two weeks later, I was invited to preach the closing service at a revival at the Truth Independent Baptist Church of Lukop, Madolenihmw. After a wonderful service, I was approached by a young man. I hardly recognized him with his short haircut, but it was Clay, one of the young men I had led to the Lord two weeks earlier. He joyfully shared with me that he was going to be baptized the next day by Pastor Rick Vera Cruz, the Pastor of the Truth Independent Baptist Church, following the Sunday morning service. The next day we had the joy of witnessing Clay's **Baptism in the warm waters of the Pacific**. The Lord is so good to allow any of us to have a part in His plan to reach the lost, but what an extra blessing it is to see them continue in their pursuit of God.

We thank the Lord for His continued blessings and watch-care. Your prayers are certainly making the difference. On the island of Pohnpei there are no snakes, crocodiles, or deadly spiders. We do, however, have a nasty little species of poisonous centipede. They can grow to nearly a foot long and pack a terrible venomous bite. One day while brush-cutting here at the station, **I felt something crawling up the inside of my pant-leg. What would you do?** I wasn't sure what it was. I hoped it was a gecko or even a cockroach. Though my first impulse was to immediately disrobe, I was fearful that I might ruin my testimony in the neighborhood! I speedily made my way into the station to "investigate." Once inside I rapidly discovered my visitor's identity. To my shock, out from my pant-leg emerged the ugliest centipede I'd ever seen. It was nearly half a foot long and quite angry. I quickly dispatched my unwelcome guest but not before grabbing a couple pics for all to enjoy. Afterwards I shared the story with our Pastor. He told me that he was amazed because I was the first person he had ever heard of to have one of these monsters crawl up their leg and leave without biting. Thank you, Lord! Please continue to keep us in your prayers. We certainly need it!

Sowing for the Savior,

The Eiben Family
