Kaselelia Maingo (Hello),

Greeting to you from your missionary family at Wone Baptist Church. We are thankful for what the Lord has done and will continue to do. We trust you are all well.

My wife and children are well. I thank God for them. They have been an encouragement to me in the ministry. My daughter, who just turned three this year talks about going to school. She plays instrumental music and pretends to be marching in a graduation ceremony. She recently attended a K-5 graduation as well as my sister's graduation.

I am thankful for what the Lord has continued to do in the ministry through the people in Wone. Brother Joel and I visited a woman and her children who have not been coming for a long time. After we visited, she and her husband along with four others came to a service. They did not come last Sunday but please pray that they may come to know the Lord Jesus Christ personally. Two months ago, a young man came to the service and during the invitation he came forward. One of our deacons led him to the Lord. His name is Ceneres. He came after he got saved but has stopped coming because he has moved to live with a friend. Pray also for him. We would like you all to pray also for another ministry in Tomwoarolong. We have been holding services in the home of Mr. Barnabas a fifteen minute drive from the church. They have rescheduled our meeting on Saturday instead of Thursday, but many times they are busy during Saturdays.

Praises:

Four young men who never come to church came to one of our services.
Our missionaries, the Milgrims are returning to Pohnpei.

Other Prayers:

Our HBBI students who are attending the Bible Institute in Guam

My brother Conway's diabetes

Deacons and their wives (Lucas Dolon and Patwick Lawrence)

Pray for us the church folks that we will be sensitive to the need around this community

My wife and children

Thank you again Pastors, Missionaries, and Friends for being part of the work in Wone.

"Praying is not the least we can do for each other"

In Christ,

Clayton, Linda and Children
