Dear Praying Friends,

Merry Christmas! I hope and trust you are all prospering in your ministry and enjoying the season. We can (Christians) always rejoice because our names are written in heaven (Luke 10:20) and also God has changed our lives (Matthew 2:12...After the wise men met Christ, they departed into their own country "*another way*". Amen

My family is doing well. Our son Nathan just turned two last month in November. My wife is doing well now. She has diagnosed with kidney infection but she's under medication. Continue to pray for her. Our daughter is doing well also. A few weeks ago, we bought us "take out" and they put salad on our take out. My wife asked Cheryl if she likes to eat the salad and she said to my wife she does not like to eat *trees*.

Thank you for praying for the church. Last September one of our sister churches, Ambassador Baptist Church held a revival at their church and invited all the other Baptist churches to attend. The Lord blessed the meetings. As a result of the meetings we were able to baptize a father and his daughter in our church. I would like to share with you a blessing about a woman who lives in the village of Tomworoalong. She never comes to any of the meetings at Tomworoalong. She came to visit us with tears in her eyes because of her marriage problem. We talked to her, prayed for her and also took the opportunity to share the gospel with her. She made the decision to accept Jesus Christ personally. Amen. Please pray for the ministry in Tomworoalong. The family that we are holding services at their house said that a deacon from the Catholic Church tried to discourage them to not open their house any more to us. Pray that the gates of hell will not prevail. Pray also for another man that we tried to witness to who came to church on Sunday morning. His name is Robinson.

Other Prayer Request:

- Continue to pray for my wife and children
- Pray for the youth-unsaved and saved that God may enlighten their eyes that they may see the truth.
- Ministry in Tomworoalong
- Our Missionary family (Mr. and Mrs. Milgrim and their son Aaron who is sick)
- H.B.B.I students
- Our Deacon-Lucas Dolon
- Continue to pray for the land. We wanted to set a date to talk to the family to see if they could extend the lease since the Milgrim's are taking care of their children's tuition in school.
- Please continue to pray for me and the ministry here.

Friends and Pastors thank you again for being a part of the work here in Wone Baptist Church. Thank you for your support and prayers.

In Christ,

Clayton, Linda, Cheryl, and Nathan
