Dear Praying Friends,

"The work will never go deeper than we have gone ourselves."...Amy Carmichael

Greetings in the name of our Lord Jesus Christ. I hope you are all well and prosperous this summer.

I praise the Lord for my family and for my wife. Continue to pray for my wife. Her due date is November. We still don't know if it's a boy or girl but our son Nathan is announcing to others that it will be another son.

Pastors and friends, we are grateful and appreciated your prayers and financial supports. We

praise the Lord for what He is doing through the believers here. It's His church and He will bless His church if His people are living according to the scripture. Praise God for adding another family into the fellowship, Andolin and Emilyn Ectete and two of their children. (one of his sons got saved in the summer camp) After Andolin trusted Jesus Christ into his life, I said to myself that maybe it would be better not to mention to him about baptism but I have been praying that God would open an opportunity that I would be able to tell him about following the Lord in believer's baptism. (Over here baptism is a big issue.) One evening service the Lord impressed on me that I should tell him about baptism. I told him that I have not been faithful to the scripture by not

showing him about following the simplest command of the Lord. While I was talking to him, he told me that he wanted to show me something. He went to one of the pews and picked up a folder and he came back and open it something and he had written on his folder that he wanted to get baptized. Praise the Lord. He and his wife and one of his sons obeyed the Lord in believers' baptism.

Praise the Lord for the summer camp. After the camp, two of the young people stood up, wept and asked the church to forgive them of their bad examples. Soon after they sat, several stood up, wept and asked the church to forgive them of their examples and shared what the Lord had taught them in the camp. Some said that they had made great decision of what to do in their lives. The author, Jim Berg says in His book "Changed into his Image" that sometimes when those teens who decided to serve the Lord during the camp,

slide back into his old ways and we comment the he made just a "camp decision" but the problem is there is no discipleship. Pray for Solomon David, who is working with the youth. I thank the Lord for Solomon and others who are helping in this ministry.

Other Prayer Requests:

- ◆ Pray for me..I want to do a Bible Institute for the men and women. If you have any input please let me know.
- ◆ Praise the Lord...my Father and Mom came and attended one of our Sunday services. My Dad claims that he is saved, but pray that through God's grace he will put those addiction that hinder him from following the Lord and are not good for his health. He is diabetic.
- ◆ Pray that those who claim to be saved to be separated from false teaching.

In Christ,

Clayton, Linda, Cheryl, Nathan and Hadessah Eliam
