Dear Praying Friends,

Rom. 15:4 For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope.

I wanted to begin by thanking you pastors and praying friends. We don't deserve anything.... We don't deserve to be here in this ministry.. We don't deserve your love for us. "THANK YOU"

We trust you are praying for us. My wife and children are doing well. Due to my mom's health (Pray for her. Her name is Lehla), my wife and I decided to have a neighbor lady to start baby-sitting our two little ones while we are at work.

We are also thankful for what the Lord has been doing in many of the young people here at Wone Baptist Church. They started to hold Bible study at the public high school, during the last period of school. There are probably

fifty students that attend. Sometimes they even have some of the staff come and listen. At first they had their service outside, but then the school told them that their meeting place was a restricted area. So they went to the counselor and he allowed them to use his room. The young people said that the principal appreciates what they are doing.

Other Requests:

- ◆ Pray for us the church folks that we will be sensitive to the needs around this community.
- ◆ My wife and children. Pray especially for my wife and I to know what God want us to do next school year.
- ◆ Outreach ministry on Saturdays.
- ◆ Pray for my father. He came to some of our services at Wone. The first time he came...one of the missionary dealt with him regarding accepting Jesus Christ into his life. In the evening I asked him if he is saved and he

said that he believes that he is saved. He has not been going to church and he still continues drinking. Please pray that he will allow God to do something great in his life.

- ◆ Pray also for our summer activities...V.B.S and others.

Praise:

- ◆ After five or six years of Bible study, Tomworo-along ministry has started to have midweek service on Thursdays. In addition, we started to have Sunday services last week. Pray that God would give them land to build a church.
- ◆ Last month, my wife and I had the privilege to attend a mission Conference on Guam (Harvest Baptist Church). It was an encouraging week...I think of Harvest Baptist Church as the "Antioch" of the Pacific. Praise the Lord for the messages.
- ◆ Praise the Lord...for the meetings with Evangelist Randy Chovan. Our church family was encouraged in the meetings.

Thank you again Pastors, Missionaries, and Friends for being a part of the work in Wone.

In Christ,

Clayton, Linda, Cheryl, Nathan, Hadessah, and Keila
