Dear Praying Friends,

We want to begin by thanking the Lord for the privilege to serve with you. Thank you for your support, both prayerfully and financially.

We trust God has blessed you and that you have been encouraged by what HE has done through you.

It's summer! School is out... Pray for our upcoming activities, V.B.S (vacation Bible school) in July, youth camp and other summer activities. Pray that God would use HIS WORD to draw these young children and teens to HIMSELF. Pray also for my wife Linda. Last week she was

admitted in one of the hospitals here...we stayed there for a day so they could help her with vomiting...almost everything she took in she would vomit up. She is two months into her pregnancy.

We are also excited that one of our church families came back to Wone in April this year, Dionisio, his wife and children. He is our truck driver. His plans were to stay in Minnesota for a while but he felt that God wanted him to come back here after only a short stay in Minnesota.

Again thank you pastors, churches and friends.

**Prayer Requests:**

Pray that God would use us to boldly share the gospel with those around us.

Pray for our church land. I have mentioned before that we are praying, and in the process of looking for another property for the church. Please pray with us regarding this matter. We have five more years on our land lease. THE LORD MAY COME SOON.

Praise and Prayer Request: Our son Nathan got saved during the school year. Our daughter Cheryl also called

on the Lord for salvation. Her mother had the privilege of leading her to accept Christ. Pray for them..Pray for Linda especially during her pregnancy.

In Christ,  
Clayton, Linda, Cheryl, Nathan, Hadessah, and Keila

This is our church flat bed! Praise the Lord it did not fall on us but it fell on the truck...Praise the Lord for protection during the recent tropical storm.

Cutting down the tree and building another thatch house after the storm.
