

Dear Pastors and Praying Friends,

I want to begin by saying thank you Pastors and praying friends.

Summer is coming to an end!...Praise the Lord for this summer. We will be missing some new and old faces from the church but are praying and looking forward to opportunities that the Lord has for us.

Linda and I will be enrolling our youngest daughter in K-5 at Calvary Christian Academy this year. She is very excited to go to school. I will be teaching part time at Calvary Christian Academy this year. This will give me time to drive home and pick up the other children from school. It is a short walk from the school to our home, but I want to be there when they come from school. Our three oldest children, Cheryl, Nathan, and Hadessah will enroll at a public school in the community where we are ministering. Our youth director, Katerson David is the 8th grade teacher there, and he will be teaching our oldest daughter, Cheryl. The school enrollment is around 100 students, 1st grade to 8th grade. Please pray for them.

The Lord has done many things this summer. To name a few..... seven children came to know Christ during the Vacation Bible School, many of the youth stood up and shared how God had used the messages during the summer camp to rededicate their lives to the Lord, and three of our students who are studying at Christian colleges overseas visited us. (Brandy, Quifo, and Maybolanda). Brandy's been helping with the preaching while the other two girls and a teacher (Laura Stevens) from Harvest Baptist Church helped with the Sunday school in June and July. Six of our church people (Andolin our Deacon, his wife, two of his children, an adult, and another young man) left go to the island of Nukuoro to help a missionary couple and a pastor, to put up a building. The work was started by a missionary couple and the pastor and his wife. Our deacon's two other children are staying with us and the oldest son is with our youth director. We are not sure when the ship is coming back ...it could be three months or more.

Prayer Requests:

Salvation of those who are coming to church but still not saved. Pray for Nixon Joshua. I invited him to church once and he came. The last time I talked to him, he said he wasn't sure about his relationship with Christ. I told him I am willing to show him but the wife wanted to leave.

Pray for the church land. Our land lease is about to end. We are in the process of looking for land to build. Pray that God will open the land and give us the wisdom needed.

Pray and help for a church van. Our flatbed is an old truck. We are constantly having problems with it.

Again thank you Pastor and praying friends. Thank you for your prayers and your generous gifts.
