Greeting Praying Friends,

First, I want to begin by thanking God for allowing us to share our gratitude to you all. We hope this letter finds you all well.

It's been a while since our last letter. Please accept our apology for the delay. We trust you are prospering in the ministry the Lord has called you to. My wife and children are well physically. This month, four of our children got sick (vomiting and diarrhea), but praise the LORD they are well now.

We mentioned in our last letter that our deacon and several others went to Nukuoro to help a missionary and a local pastor who are planting a church on that island. Our people finally came back in September. The work on Nukuoro is on-going, so please pray for the Peeler's and Ezekias' families. Continue to pray for our three children who are attending the public school that is located in a nearby village. One day, our daughter Hadessah came home and said she gave a gospel tract to her teacher, Manuelina. Three weeks ago, we started to visit house to house passing gospel tract in that area where the school is located....that is the border of Madolenihmw and Kitti municipalities. The name of that village is Roi. We have visited almost every house in Kitti from one border to the other. There are houses that we visited on Saturday and there was no one at the house, we just left the gospel tracts. We are now starting again. Please pray for us and the people, that God would open their hearts and that they would pay attention to what we share with them.

Prayer Request:

- Pray that God would save and send more laborers into HIS work here. Please also pray for the salvation of my youngest brother, Chamberlaine.
- Pray that God would give us wisdom and provide land for the church. In February 2017, it will be three years before the church land lease will be terminated.

Again, thank you all very much for you prayers and financial support.  
Clayton, Linda, Cheryl, Nathan, Hadessah, Keila, and Timothy
