August 2017

Dear Praying Friends,

I want to begin by thanking God for people like you, lifting us through your prayers. Could you please continue to pray for us? I have often heard people say that prayer is "the least that I could do." But praying is not the least! It is the greatest thing we can offer to go boldly before the "throne of grace." Thank you, Jesus!

Our deacon wants to give land to the church from his property. Our current land lease will soon be terminated. I have talked to the landowner of the property we are currently using. He said, "He is not planning to give the land away because it is a heritage from his mother." Going forward, this landlord will only lease us the parsonage. He is the pastor of the Assembly Church here on the island. When I went with the deacon to the Land Tenure office, one of the women there said, "Baptists only lease land, but Catholic and Protestant churches (UCC) are the only denominations that can rightfully own land."

Please pray about this, and pray that God will give us wisdom. I have attached a copy of the "Quitclaim" deed. We are only waiting for the Land Tenure to set up our hearing, but it seems to be taking a long time.

Pray for the church family and for our family as well.

Thank you!
