

Dear Praying Friends,

Deu 7:9 Know therefore that the LORD thy God, he is God, **the faithful God**....

I echo Moses and others Scripture writers that God is truly faithful. I want to thank you also for manifesting that attribute of God through you. You have been truly faithful to us all these years, through your prayers, financial support, encouragement and etc...

Continue to pray for the land for the church. Pray that God gives us the understanding mind. On three different occasions we were told by the some workers from Land Tenure that only Catholic Church and UCC (United Church of Christ) could get a quitclaim deed. We (from Wone Baptist Church and others from the Baptist Churches on Pohnpei) went to the Legislative office and were told to take the matter to the Attorney General. Praise the Lord, after our visit with the Attorney General, they began to process the documents. We are now in possession of the land. We decided to have the 55 year Lease...while we wait for the landlord to make a quitclaim deed. We will begin working on clearing the land. Please pray as we work on the Church property.

Pray that we (Wone Baptist Church) would be faithful to what God calls us to do. We are thrill to see those who are faithful and have shared the gospel to family members and had started Bible study with them.

Pray for salvation of those who come to our doors of meeting. **1Ti 2:4** Who will have all men to be saved, and to come unto the knowledge of the truth.

Pray for my parents. My mother has Parkinson's. She constantly needs someone to assist her to rise from a chair, get out of bed or use the restroom. My dad has diabetes. He just had all his toes nails amputated. Pray that the wounds will heal fast. Both have claimed they have trusted Christ. Pray for their spiritual lives.

Pray for one of the families in the church. Terly Abraham's brother has been diagnosed with bone cancer. His name is Bermine (not sure of the spelling). He was referred to another hospital off island but they could not help.

Pray for a newlyweds in the church, Januario and Shallane. Pray as they grow in the Lord and grow in their relationship with one another.

Again, I want to thank you Pastors, friends, and churches for your faithfulness. Thank you all. **Act 20:24** But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy

One of the bridges washed away....we decided to go the other way around the island for the wedding last month but had a road block because of landslides on the road...had to wait for almost two hours...the people had to help the vehicles (push) to go to cross the other side.
