

ELIAM'S FAMILY PRAYER LETTER

P.O. BOX 366

KOLONIA, POHNPEI

Dear Pastors and Friends,

We praise God for the good work HE had began in us and pledged to complete this work. We also want to thank you for your prayers and gifts.

Pastors and Friends, I would only like to share some prayer requests in this letter. These are not new requests but we really would appreciate if you would continue to join us in prayer for these matters. Some of you have shared that you've continue to pray for these matters.

1. Pray for the salvation of visitors coming to church services. Our deacon and his wife have invited a woman from Enipein and her son and daughter, along with their spouses. He had witnessed to her children and they told him they wanted to know more. Her son and daughter claim that they have trusted Christ after the deacon shared the gospel with them. Pray that they all come to the saving knowledge of the Lord Jesus Christ.
2. Continue to pray for the new land situation. It is very discouraging to have all the legal papers but still nothing has been done. Please pray for me and wisdom for our church family.
3. Pray for my parents, especially my mother. Pray also for my wife. She is helping my parents during the day and has our two little ones to take care of. If you have any information about Parkinson's, please share that with us. I know if she was in other countries, she could get more help but not here. She constantly wants somebody to move her hands or feet. She can't sleep every night. Please pray for her.
4. Pray for a couple of our church families who are going to the United States. They will visit families or look for jobs. Please pray that they will get into the right churches.
5. Praise: There was a storm that passed through our Island last few weeks. It did not directly hit Pohnpei but we have seen some damages. When we discovered about the wind my family decided to spend the night in town and drive down the next day. When we got back the next morning we discovered six pieces of our tin roof were blown away by the storm and someone had broken into the house. The house was not safe, but thank God, we are safe. 1Th 5:18 "In everything give thanks."

Again, thank you Pastors and friends,

In His Service,
Clayton Eliam
