

The Eliam's Prayer Letter

May 2019

Greetings again Pastors and Friends. I hope this note finds you all well. Again I would like to begin by expressing our gratitude for your prayers and generous gifts.

We are thankful that God has provided the airfare for six of our students coming from Bible College this summer. They are always a blessing to the church families when

they have the opportunity to visit us during the summer. The first Sunday they arrived we asked four of them to sing a special and to share what the Lord's been doing in their lives. We got workers for V.B.S this

summer! Pray for them during their stay here this summer.

Earlier this month, I was asked to come along with couple of ladies from Calvary Baptist Church and preach to one of the ladies' father. After the service, I took Thomas hand and asked if he knew where he would spend eternity and he said yes. A few weeks later he was called to be with the Lord. Pastor William Joel from Calvary Baptist Church asked me to come with him to the funeral service. Praise the Lord that Pastor William Joel had the opportunity to share the gospel to the crowd.

Prayer Request: Please pray for us to be faithful in reaching out to the community with the gospel of Christ Jesus. Pray for our visitation in the municipality of Kitt. We have tried to visit every house and person we come in contact with from one border to the next border. We marked where we stopped and would start from there the next Saturday we visit. There are some houses we visited that we discovered no one home and we would just leave gospel tracts. Now we are starting again from one border

and our plan if the Lord permits, we will continue visiting every house and person to the next border.

Continue to pray for the land situation. We really appreciate your prayers. I have told the church family that we should be leaving in the month of December. I've mentioned in our previous letter that it is a bit discouraging that we have all the legal documents but are still not able to access the land. Pray also for us, my family. Please pray that God would give us the wisdom on what to do. We might start looking for a house to live in.

Again thank you Pastors and Praying Friends,

Clayton, Linda & Children.
