

Dear Praying Friends,

Praise the Lord.... We want to thank you all for your prayers concerning the land situation for the church. The woman finally told our deacon to proceed with clearing the land. When I first heard this, I began to doubt if this was true. Our deacon reminded me, that I am like the believers who were praying for Peter in prison and when God finally answered their prayer, they found it hard to believe God actually answered their prayer.

We now need \$5,000 to clear the land. I know I've mentioned to several of you that we had that exact amount set aside but I told the deacon to tell the sister that we would be giving her that money. I know one of the causes of the land problem is money. She had told several others about this. She even asked our deacon if the church ever paid for the land. Their oldest brother came to our house wanting to know how much we gave their brother. I had to explain to the eldest brother that the church had never gave anything to our deacon but a generous couple from overseas had set aside some money to given to whoever wanted to help the church out by giving land. Because of all the talk about money...I've decided that we should give that money (\$5000) so we could proceed with clearing the land.

Thank you all for your prayers. Continue to pray that the work will move forward. Pray that God will give us wisdom as we clear the land. Pray also that God will provide the \$5000 so we could clear the land. If the Lord would have you help with this great need for clearing the land, please send your contribution to World Wide New Testament Baptist Mission P.O.Box 725, Kings Mountain, NC 28086.
