

2Co 9:15 Thanks be unto God for his unspeakable gift.

Greetings and Kaselehlia from Pohnpei. I trust this note will find you all well. Thank you all again for your prayers and gifts.

Time flies so fast! Our oldest child is preparing to graduate from Calvary Christian Academy. Please pray for her decisions regarding where to go after high school. Linda and I covet your prayers for us, that God strengthen our inner man and that we have wisdom to lead our children. Please pray for our two young ones, Timothy (5 years old) and Cadance (2 years old), that they, too, may come to know the Lord Jesus Christ personally.

We were able to put an access road to the new property, but we still need more clearing and coral before we start on the building. On behalf of our church family, I would like to express our deepest gratitude for your generous gifts toward the access road and the church building.

Saturday house-to-house visitation

Young people singing a special

Calvary Baptist Church missionary banquet.

Three of the young people followed the Lord in believers' baptism

We still need some more clearing and corals before we can begin with the building.

The property look so beautiful after the clearing....but after looking at this picture taken at the property....this person next to me looks more beautiful than the property.

More pictures of clearing and where we have put the coral.

We can still access the road when the dirt is not wet. We need more coral.

Thank you again pastors and praying friends.

Praise the Lord...the access road connecting to the main road.
