

Kasehelia and greetings from Pohnpei! We hope this letter finds you all well. Thank you for your prayers and support, and for partnering with us at Wone Baptist Church.

We thank the Lord for the summer camp which our sister churches of like-faith have every summer. Last month at camp, nine out of our WBC youth that went to the camp came to know the Lord as their personal Lord and Savior. The youth were able to share with the church family what God had done and what they had learned during the camp. Please pray for them, that they would boldly share the Gospel with families and friends.

Pray for the building construction. Please pray for our safety, wisdom, strength, and for more laborers. We had planned to do more this summer, but our deacon was admitted to one of our hospitals in Pohnpei. Even after being discharged, he had to rest. Pray for him. We have had a lot of rain during this month too. Praise the Lord! We were told that one of our supporting churches, through their Vacation Bible School, has put together money for a cement mixer.

We did not have any Covid-19 positive cases ever since the lockdown in 2020, but last week some people tested positive for the virus. The virus is spreading rapidly. The latest number reported as of today is more than 1000 positive cases. Some of our church families have tested positive. We are thankful that the strain that has reached us does not seem to be very deadly. Most people are reporting that it is like a bad flu. Please pray for us.

Pastors and friends, thank you again for your prayers. Please continue to pray for us. Pray that we (Wone Baptist Church) families will be obedient to God in the area of witnessing the Gospel to others. Pray that God will continue to add others to His church. Prayer is not the least thing we can do for each other; in fact, it is the greatest thing we can do for others. Again, thank you. "Christ is coming soon."

In Christ,

We are still working on the bond-beam
