

May 2023

Greetings and Kaselehlia,

The time flies by so quickly. Our second child is about to graduate from high school. There are times when I wish they could go back to being small. We are thankful that God has given us the privilege of parenting them and showing them who God is. Please pray for them to have the fear of the Lord, and to do what God wants them to do.

It was a privilege to travel to the Marshall Island with the Calvary Christian Academy seniors. During my visit to Majuro Baptist Christian Academy, I spoke in two Baptist churches and to students in their 7th to 12th grades. In my message, I reminded them of something I need to remember every day. The Gospel of John chapter 6 was the Scripture I shared. It is imperative that we reorder our priorities so that rather than working for that which perishes, we should labor for that which endures forever. (John 6:27 - Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life). The command of God is to work for things that will last forever. In a story I read, two teenagers broke into a hardware store not to steal things, but to change the price tags on the merchandise. Satan does that to us in our lives – changing price tags so that we think perishable things are important while eternal things are unimportant. I want to thank you again for your efforts to help us in pursuing eternal things.

Prayer Requests:

- Please pray for our children: the two young ones to come to know Christ as their Savior and Lord. Keep praying for the four older ones to have the Fear of the Lord.
- We pray that God will bring revival to our people.
- My prayer is that God will bring another family into our community.
- I would appreciate your prayers for the building project. A couple has generously donated a cement mixer to us. Our church will benefit greatly from it. Our deacon, who was scheduled for surgery, decided not to have the operation. His heavy workload made him unable to perform his job well, so he resigned. The cement mixer will be extremely beneficial to him because he carries out a lot of heavy work.

Once again, thank you very much, Pastors and friends.

In His Service,

Clayton, Linda, Cheryl, Nathan, Hadessah, Keila, Timothy, and Cadance.

MBCA students, CCA students, and chaperones on Marshall Island.

Bible Study

Preaching at Majuro Baptist Church

During an anniversary meeting at one of the Baptist churches, Lipan got saved. We praise the Lord that he has decided to be baptized.

The mesh wire has been placed for the floor, and we are waiting for the cement to be poured.
