

Kasehlelia and hello from the island of Pohnpei. Praise the Lord for His goodness! He has saved us from sin and provided everything we need that pertains to life and godliness. His grace has enabled us and put us into His work. Dr. Luke stated this fact at the beginning of the book of Acts concerning the Gospel he wrote. He said that the Gospel of Luke describes only the beginning of Jesus' work, and the Acts describes its continuation; the work of Jesus continues to our present day. It is a privilege to continue that work today in whatever place God puts us. We are in the service of the King of Kings!

Linda and I want to express our sincere appreciation for your prayers and generous gifts. We could never be able to do what we do without the help of God's people here and overseas. Thank you all for your faithfulness.

I would like to share what God has done by listing some of them as prayer requests. Again, thank you for remembering us at the Throne of Grace. I have said before that, "Prayer is not the least we can do for each other."

1. Pray for the salvation of our youngest child, our daughter Cadance. Pray also for our oldest child, Cheryl. She is finishing her years in Bible college; pray for God's direction in her life.
2. I was privileged to go last month with the 11th and 12th grades, the junior and senior classes, to their leadership camp. The speaker was Yapese and an alumna of Harvest Bible College. Altogether, eight young people came to know the Lord, and many others rededicated their lives. I thank the Lord for the opportunity to speak with some of these eight young people as they put their faith in the finished work of Christ. Please pray for them. I have paused my usual Bible curriculum so that I can focus more on discipleship with them during their Bible class (I teach Bible to these two classes at the school).
3. One of my aunts who is living in the state of Minnesota asked if I could speak to one of my other aunts who had a stroke some years back and is now residing with her second-oldest son. Praise the Lord for the privilege of sharing the Gospel through the Messenger app with three of my aunts and their children two Sundays ago. Please pray for them. I shared from John 8, the truth that one of the reasons people die in their sins is because of their self-righteousness.
4. One of the men in our church lost his grandson who lived in the state of Minnesota. Here on Pohnpei, the men had a gathering on the day the child was to be buried. Our church man asked me to preach at the gathering, and again, I thank the Lord for that privilege. Many of those who gathered came from different religious backgrounds, including Mormon, Catholic, and the Word of Faith movement.
5. Continue to pray for the people in this community at Wone, that God will continue to add people to His church through the faithful witness of His people. I am praying

specifically that God would add another family. Pray that God will send more laborers into His harvest.

6. My wife's father went to be with the Lord during the month of September. We praise the Lord for saving his soul. He is from the island of Kosrae. A number of years ago, when he became a member of the Board of Regents for the College of Micronesia, he would visit the island of Pohnpei often, due to his work. I remember my wife, with tears in her eyes, would share the Gospel, pleading with her father to come to Christ. On one of those visits he told Linda, his daughter, that he knew all that stuff and that she was a child. During a later visit when he came for work, he was admitted to the hospital because his appendix almost ruptured. He called Linda to share with him what she had been trying to tell him and he invited Christ into his life. During our last conversation, he shared his concern for their church in Kosrae. The pastor, who was also his brother-in-law, had died, and Linda's father was concerned who would be the next pastor.

Again, pastors and friends, thank you very much for everything you have done and your involvement in our work through your faithful prayers. We could not continue our work here without you.
