Kaselehlie and greetings to our dear Pastors and Friends!

As always, we want to begin by expressing our deep gratitude for your faithful prayers and financial support.

This past summer, we were especially grateful to be reunited with our two oldest children and spend quality time together as a family.

On June, I had the privilege of being invited by one of our local Baptist churches to join the preaching roster for their annual anniversary meeting. While our Baptist youth were busy attending Youth Camp, a couple of brothers and I worked hard on constructing the concrete wall in front of the church—a project I hoped to complete before August. Praise the Lord, we now have a finished wall behind the pulpit!

In August, I joined two other preachers to speak during a three-day chapel opening. During the invitation, a 7th grader stepped forward to accept Christ. After asking if anyone desired help coming to know Christ as their personal Lord and Savior, I noticed several hands raised. One freshman in particular was eager to know Christ; he came to my room after school asking how he could be saved, and I had the privilege of leading him to the Lord. Please pray for these young men as they begin their walk with Christ and continue to grow in their faith.

I also had the opportunity to attend the Calvary Christian Academy Leadership Camp, where Brother Engelhardt from Harvest Baptist Church in Guam served as our guest speaker. On Thursday night, I spoke with three students. Today, I followed up with one who placed his trust in Christ for salvation. Another student was struggling with assurance of salvation, and a young man was deeply convicted about living for himself. After hearing the Word preached, he came to our cabin weeping, ready to surrender his life to God.

Again, thank you pastors and friends.

We would like to extend our sincere gratitude to Crystal Overholser and Cincy Shirts for printing these shirts.

Left: One of the Calvary Christian Academy students called our house around nine at night, wanting to know how she can get right with God. She reminded me of myself when I was in school over in Guam. I could sleep, but I needed to see someone because I wasn't sure where I was going after I died. I walked out of the campus around 11 at night to talk to one of the pastors.

Right: Two students that got saved during the first week of the school, three days of Chapel.
