IT'S A BOY!!!! He is due May 21.

We are praising God for 5 new supporting churches!

Happy Thanksgiving! Merry Christmas! Happy New Year!

We want to praise God for all He has done in these months from Nov-Jan. **Thank you so much to the churches that sent us Christmas gifts.** We are so grateful for them, and they were such a timely blessing. We traveled many miles, went to many churches, met many people, and were able to enjoy some good times with friends (new and old) and family. We are truly blessed!

We spent the month of November in FL in some scheduled meetings as well as dropping in a number of other churches in between. We were also able to get some new meetings scheduled for when we get back down to FL in Feb-Mar.

Dec.-Jan brought some colder weather as we headed north to MI. We were blessed with some meetings throughout the months as well as some wonderful drop-ins at different churches. We were also able to see if we could live in the trailer in the cold, which was actually quite comfortable. Thank the Lord!

Right at the end of January, we were able to be with Titus Palmer (a pastoral intern of mine while at NTBC) who now pastors in PA. We were blessed to be with the Palmers and their church as well as have the opportunity to meet a number of different pastors in a couple of preachers meetings while there. We were blessed to hear good preaching, have good fellowship, and schedule some more meetings.

We want to thank the Lord for Sadie. She turned 9 years old on

Nov. 26, and is growing up so fast. It was a blessing to be able to spend her birthday with family and friends.

We were also blessed to be able to attend a number of revival services at Victory Baptist Church in Zephyrhills, FL during November. Evangelist Thomas Engle and family preached and taught all week. The messages and fellowship were such a blessing for our family. We love this family, and always enjoy our time with them. If you need an evangelist, I would HIGHLY recommend the Engle family. You and your church family will be helped and blessed by their ministry.

Please pray that we are able to find a center jump seat for our truck that we can replace our center console with before the baby is born. Thank you!

"And when they had brought their ships to land, they forsook all, and followed him." - Luke 5:11
