Charlotte turned 13 yrs. old & Audrey turned 11 yrs. old!!

We are also praising God for 5 new supporting churches!

Praise the Lord for all He has done in these last 3 months! My, how things have changed in our world! We are thankful to know that our peace rests in our Savior.

February also brought about a good amount of traveling to different meetings and missions conferences in 4 different states. We traveled from PA, to FL, to SC, to CO, and then back to FL by the first week or so of March.

In March, we flew out to CO for the Dennis Brown Memorial Home Missions Conference in Englewood, CO. It was our first time attending, and we were blessed to present at the meeting. We are looking forward to, and planning on attending next year if the Lord would allow it. We were able to begin many new friendships, meet and fellowship with old friends, and hear some wonderful preaching.

It was such a blessing to receive a number of love offerings

from multiple churches located in CO, as well as, different parts of the country. We even had a church take us on for support at the conference! Afterward, we were able to present the ministry at Platte Valley Baptist Church in Ft. Morgan, CO. It was such an encouragement to hear that the church voted during the next service to take us on for support!

We are so grateful to have received a very timely love offering from Victory Baptist Church in Darlington, SC, where we had the privilege of presenting there last fall. It is so awesome to see God's timing in how He used that church to meet our need during the shutdown!

In the middle of March, Victory Baptist Church in Zephyrhills, FL threw Brittany and our little man a baby shower. It was such a blessing to our family, and we are so grateful for the love they showed, and the

gifts that were given to us.

We were planning on heading back up to NC the week of Easter, but we all know what happened next (COVID-19). We prayed that God would give us wisdom for what we needed to do and where we needed to go. We decided to stay in FL for a number of different reasons. We are now planning on heading back up to NC toward the end of June, after our son is born sometime in May.

We have had meetings cancelled, but many are planning on having us in when things get up and running again. It has been amazing to see how God has worked every day throughout the shutdown. He has continued to prove Himself to us as He has continued to provide for our needs all along the way.

We're excited to see how the Lord will work in the days ahead. Please continue praying for us. God is so good!

"And when they had brought their ships to land, they forsook all, and followed him." - Luke 5:11
