Praise the Lord for 9 new supporters!!!

Please pray with us that we will reach 70% support by December 31st.

Wow! These last 3 months have flown by as we were really blessed to be able to amp up our schedule. We started back out on the road in July, and by October, we were full steam ahead. We are so thankful for how God provided so many wonderful meetings throughout this time.

It continues to amaze us as we watch how God directs our path, leads us to the right people, and fills our schedule with the meetings that He desires for us to be in. It is pretty awesome to watch our schedule fill up with meetings as we gain new contacts and make calls. I wish you could see how it develops over time and how the gaps are filled in. It is truly amazing!

We were blessed to be in a number of meetings on Sundays, as well as, being able to be a part of quite a few missions conferences. We were also able to update a few of our supporting

churches as we made our way through some of their areas over the past few months when we didn't have anything scheduled.

The Lord began to convict my heart that I wasn't praying specifically about what we desired Him to do in light of our support. Of course, we have been praying that God would increase our support, but we weren't praying for any number specifically.

I looked at where we were support-wise and what number I thought we could realistically reach by the end of the year. It seemed that around 60% would be possible from my perspective. So, we began praying that God would do beyond what we could figure out on our own. We began praying that we could see 70% by the end of this year.

Later that night, I counted how many days were left in the year. The next day would have

marked 70 days left. So, I sent out a challenge on Facebook asking for **70 people** to pray for **70 days** to see us at **70%** by the end of the year. The response was overwhelming!

We not only began to see people joining us in prayer in this manner, but we also saw God begin to give us many more meetings and more supporters in just the first 10 days. We are praising God for these answers to prayer, and we are excited to see how He continues to work in the days ahead!!!

Please pray specifically that God would bring us to 70% of our needed support by December 31. We are then praying that we will see our remaining support come to 100% by May of next year.

We appreciate your prayers in this matter in the days ahead and are looking forward to seeing what God will do in the days ahead. Thank you so much!!!

Thank you so much to our new supporters!
