Praise the Lord for 3 new supporters!!!

Praising the Lord for getting us to 62% of our needed support!!!

Happy New Year! We are so excited about the new beginning of a new year. It is always an exciting time. It is especially exciting for our family, because we are expecting our next child in September!!! We are so excited about this new life God has given us.

God continues to bless with more meetings and supporters. It is always exciting as we get one more step closer to being home in Big Bear. January started a little slow in the way of meetings, but things have really ramped up as February and March got busier with each passing week.

In between our meetings, we were able to be home in Kinston, NC moving all of our worldly goods out of our house into storage. Our desire has been that we could sell our house before we move to Big Bear, so we can be ready to buy when the Lord opens the door for the right house.

While in Kinston, we were able to be in our home church for

Revival with Evangelist Thomas Engle and family. It was a great week, and it was good to be on the receiving side of preaching, so we could be fed spiritually as well. It was such a blessing.

At the end of March, we were headed from a missions conference in Panama City, FL to Kansas, Iowa, and Missouri for 5+ weeks of meetings. On our second day of the trip, we were leaving north Alabama and had a major trailer malfunction on the highway. We are thankful for the Lord's safety and provision along the way.

Because of this, our trailer axle had to be replaced. The problem lies in the fact that the axle size is VERY uncommon. Therefore, we had to leave our trailer in a towing storage yard in Alabama as we got back on the road a couple days later to make it to Kansas in time for our meeting on Easter Sunday.

You'll have to wait until our next letter to hear all that God did

and will do through this. We would also like to share what God did and will do in the area of putting our house on the market to sell. If you need to know sooner than our next letter, please follow our updates on our "Elwart Family" Facebook page, or feel free to email or call.

Please pray that our house sells quickly. Please pray that God will use this trailer breakdown for His glory, and that someone might be saved as a result of the people we are able to witness to along the way.

We are excited about all that God has done and continues to do. Please pray that God would give us wisdom with the timing of getting to CA and starting the church. As it stands right now, we will head out at the end of Oct or the beginning of Nov to get settled up in Big Bear. Lord willing, we will work toward starting the work there in March of 2022. We're praying to see 75% of our needed support by June.
