Praise the Lord for 5 new supporters!!!

Praising the Lord for getting us to 69% of our needed support!!!

We have so much to thank God for these last 3 months. So, buckle up, and read on.

We were finally able to find the axles we needed from a trailer supply store in Delaware. We had them shipped to the towing yard where we left our RV in Alabama. We were in Kansas at the time when the parts came in. I picked up my friend Thomas Engle in Missouri, and we drove down to Alabama where our trailer was being stored.

By God's grace and the help of the towing yard owner's welding skills and use of his tools, Thomas and I were able to get both axles, all the wheel hubs and brake assemblies replaced in about 11 hours in one day. We praise the Lord for how He worked during this mess of a trailer breakdown.

Thomas and I were able to leave tracts with and witness to a number of people that we would

have never met had God not allowed us the opportunity to have this major trailer breakdown. It is not what our family chose, but we did desire to use that trial for His glory. Only heaven may tell of God's purpose and plan through it all. Thankfully, we made it back on the road, and safely back to our families with our trailer in tow.

We are also praising the Lord that we were able to see our house listed for sale, we received 3 offers within a day or two, accepted one offer, and closed on the house...all in less than 30 days!!!! We are so excited about this, and are praising God! Thank you for your prayers on our behalf in this matter.

Through the process, we found that the family that bought our house in Kinston, NC was moving from just over an hour away from where we will be in Big Bear, CA. We thought, only God could orchestrate something like

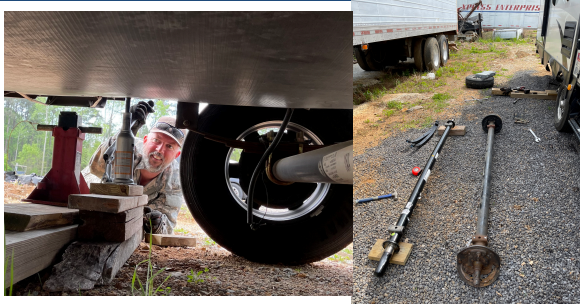

that. There is no telling why they left, but we certainly know why we are going. It is awesome to continue to see God's confirmations of His calling in our lives all along the way. We truly serve an awesome God!!!

We were able to spend a little time with Jackie's family one last time in June before heading out West later in the fall. We also were able to celebrate Elijah's 1st birthday with them, as well as Brittany's parents, who flew up from FL to be with us for that week. We cherish these sweet times of family fellowship as we look forward to our move home to Big Bear before too long.

Please thank God for all He has done in our lives these past months. He is worthy to be praised!

Please pray for Brittany and our little man that is due Sept. 12. Please pray for a healthy mom, baby, and a safe, natural delivery.
