We are thankful for your support through prayers and financial blessings that we have received from all over the country. God has continued to bless us with safety on the roads and by supplying every need that has come up.

We have now put a little over twenty-eight thousand miles on our minivan since January, and as of June, we have received thirty-four percent of our support. We also have another two hundred and fifty dollars of support promised for the month of July. It is amazing to see how God brings in support from so many different places. Thank You for your faithfulness in your giving.

We had a blessing at a Mission Conference in Michigan. The pastor had a guest speaker for the meeting and, one night in the meeting, a group of people came forward in the invitation. The pastor asked the missionaries to pray with some of the folks that went forward and I was able to talk with a young man. He was not for certain that he was going to heaven, so I was able to take a Bible and show him how he could be a hundred percent sure. He realized he was a sinner, saw his need for a Saviour, and asked Jesus to save him. Wow, what a blessing to be able to share the good news of Salvation to a young man who has his whole life ahead of him.

Please pray that God would open the doors for new opportunities so that we can present our ministry in other churches. We are starting to put back some money for airline tickets and for moving expenses. Shipping keeps going up and soon we will have to make the decision to ship a container or buy things in Hawaii and ship them out from there.

Until He Comes,

Daniel, Megan, & Emily Fetter
