### Dear Pastors & Praying Friends,

We have been to a couple of states since the last letter we wrote and we are thankful to see how God takes care of our family all of the time. We pray that this letter finds you faithful in your ministries. We have now been on deputation for a year and two months and it blesses my heart when we find faithful pastors and churches doing what God has called them to do.

Over these last couple of months, we have mainly been traveling in West Virginia, Pennsylvania, and Ohio. We have had some great meetings and a couple of churches have said that they would like to support our ministry. This week, we are going from Tennessee to North Carolina and back to Ohio in about a week and half. We will be in the car for over thirty-two hours, so pray that Emily sleeps a lot. Ha, Ha! Also, continue to pray that God would open the doors in new churches, so we could present the field of Micronesia.

I must have made some mistakes in my math last letter, because as of the end of February, we are now at 57%. We have some new supporting churches and I am not sure how I reached 57% in January. Sorry about the mistake, but we are still looking at leaving in January of 2010. If we are fully supported at that time, we will be able to work with my parents until the summer, when they are due back on furlough. We then would take over while they are gone and work with the Kosraean people until they get back. Dad has now started a Bible Institute and has begun training some of the men. My family cannot wait to get to the islands; even Emily is now trying to say "Micronesia."

Thank you for your faithful support of our ministry and we pray that God would bless you and your ministry as well. Please continue to pray for us as we travel.

Until He Comes,

Daniel, Megan, & Emily Fetter
