**Dear Pastors & Praying Friends,**

**May/June 2010**

Thank you for supporting us faithfully and continuing to pray for us and our ministry. We just want to show our appreciation for all that you have done for us, and we want you to know that we could not be here in Kosrae serving God without your help. We want to let you know that we are also praying for you and your ministry. Right now, we are in our 'Jerusalem' here in Kosrae and you are in our 'uttermost part of the earth' in America. The only way to fulfill Acts 1:8 is for us to work together, and that requires prayer on both parts. God bless you as you continue the work that God has called you to do.

In our last prayer letter, we wrote about you also receiving a reward when God gives the increase and we are excited to let you know that eternal rewards are being set aside for you, because of your faithfulness. Jeffery & Sherry Edwin came from Hawaii to visit some family and friends at the end of March. They were here for about two and a half weeks and attended Calvary Baptist Church. I preached the first Sunday they came and Jeffery really listened to what was preached. The next Sunday was Easter Sunday and during the invitation Jeffery came forward. Dad had me take him aside and as soon as we closed the door, Sherry was knocking on it to come in. As I presented the Gospel, Jeffery just looked at me with tears in his eyes and asked why Jesus would die for sinners like us. That morning, both Jeffery and Sherry accepted Christ as their personal Saviour. Please pray for this couple as they have gone back to Hawaii. They live on the Big Island and have decided to look up a good church to start attending.

My responsibilities have increased greatly. My parents left to go and report back to their supporting churches on a much needed furlough. I am now teaching all of the classes in the Bible Institute, which are going very well. Chris, the young man that I am training, is like a sponge and it is such a blessing to work with someone who really wants to learn. I believe that God is going to use this young man greatly.

Thank you for praying about our boxes. We have received every box that was sent and only one of them took longer than expected. Continue to pray for Donnalyn, who now can come to church, but does not want to come. She has a sister named Serlynda that has been very faithful to church, and we would ask you to pray that she does not get caught up with the group in which her sister is now running.

Until He Comes,

Daniel, Megan, Emily, & Lauren Fetter
