We would like to wish you all a Happy New Year! We are praying that God will do great things for you and your ministry in 2011. God has surely blessed us so much in the past year, and we are looking forward to what He is going to do through us this year. We have set some goals with the Calvary Baptist Youth, and one of them is to draw closer to God this year. Most of the youth are planning on reading their Bibles through this year, so please pray that they can continue with the promises that they have made.

On Christmas, we had a service at the church, which was packed. It was nice for my family to spend our Christmas with the church family. We had a special singing time for families, and the Bible Institute even put on a skit about the Joy of Christmas. It was funny, yet presented a challenging message. I preached in English and Pastor Henry preached in Kosraean. The church presented the senior adults with some gifts, and the Sunday school children also received a gift. We had a true Baptist fellowship with a meal to close things out.

Continue to pray for Logan and his father, Linse. Since our last letter, Linse has continued to grow and now we have a weekly Bible study at his house. He has quite the desire to learn more of God's Word, and every week has new questions about things that he has read in the Bible. Both Linse and Logan have been put under a lot of pressure by the national church. This seems to happen with almost all of the new believers, and it is amazing how much pull the national church has on the people of Kosrae. If you are not a part of their church, then you are considered a social outcast. Pray for these two new believers as they battle this extreme pressure, which mostly comes from their close family.

Pray for a man by the name Lazarus. I met him through one of our church members, and God has really laid him on my heart. He has come to one of our services, but I don't believe that he knows Christ as Saviour. Over the last month, God has allowed him to cross our paths many times. Pray that he sees eternal life is only through Jesus Christ. We are excited to have my parents back, and soon the Bible Institute class will be graduating. Pray for these graduating students, as their responsibilities grow, and we help them begin new ministries. We would like to thank you for faithfully praying for us and our ministry on Kosrae.

Until He Comes,
