Dear Pastors & Praying Friends,

We would like to thank all of you for your faithful prayers and support. God has truly given us a faithful group of praying and giving churches and individuals. We have seen God working through your prayers. Last month, we asked for prayer for Judson, and we have seen him coming faithfully to church on Sundays and Wednesdays. On February 29th, we started a Wednesday Night prayer and Bible study in Tafunsak. In the first service, it was just my family and William's family, but every week we are having more and more people come out. Our Sunday night service does bring in some children, but on Wednesdays we have seen over 15 come. My wife and William's wife, Sepe, who is a Bible Institute graduate, have been taking turns teaching the children. Please pray that God will continue to bless as we continue to work in this new area.

Please pray for a young family that we have been witnessing and ministering to over the past couple of months. When we first started our new work in Tafunsak, Steve came to some of our services, but soon moved to another part of the island and has not come back to that service. A couple of months ago, he and his family started attending our mid-week Bible study. Steve and his wife, Tre-may have four children and their daughter, Trishann is the same age as Emily. Both Emily and Lauren love playing with her, so we invited the family over for some food, fellowship, and fun. It was a Baptist get together! As the children played and our wives chased them around, Steve and I were able to talk about salvation and the different beliefs on the island.

Part of Steve's family wants him to go to the national church and the others are pushing him toward the Jehovah Witnesses. He told me that he works with the person that writes people's names in the "Book of Life" that is at the national church, but this man does not have a good testimony at work. Steve asked how he can be holy one day; writing people's names in the "Book of Life" and the next live like the devil. God gave me a wonderful opportunity to show Steve the only way to get your name written in the Lamb's Book of Life. He did not make a decision that night, but had many questions. Please pray for him and his family. Steve is searching and told me that he has been to about every church on Kosrae. Pray that God continues opening his eyes.

As they were leaving, Emily yelled out the window to her friend, "See you in church on Sunday!" Both of our girls love handing out tracts and inviting people to church. Lauren has a wordless bracelet, just like those wordless books made in Sunday school. The other day she had a little girl admiring it and says, "You like it? It's about Jesus!"

Until He Comes,
Daniel, Megan, Emily, & Lauren Fetter
