

### **The Blessings of God.**

We want to thank you for your faithful prayers and support for our ministry as we strive to follow God's calling: to help Christians lift up their eyes and look on the fields that are white unto harvest.

Over the last few months we have enjoyed working with missionaries in Bolivia and India. We have worked with both of these missionaries in the past, and while we have never met either of them in person, we are honored to be able to help them with furlough videos remotely.

We also enjoyed working with church planter Jared Ballou, who God has called to plant a church right here in our home state of Pennsylvania.

We really enjoyed working with the Ballou kids to be part of their parent's church planting video.

### **The Blessing of Schedule**

Recently, a missionary took to Facebook to ask for recommendations for someone who could help him produce a missions video. We were honored that many missionaries who we have worked with in the past spoke up to recommend our ministry. As a result we gained many new contacts and projects. While not every upcoming project on our schedule is a direct result of this Facebook post, we are excited that we have a number of really great opportunities coming up.

God has opened the door for us to go to Ecuador in the month of April. A church generously donated the funds so that our entire family can take this trip together. We are thrilled to be able to introduce our children to the mission field while we work to produce a video for missionaries Mark and Ashley Ackeret.

We have scheduled, or are working to schedule, projects in Florida, Georgia, Alaska, Fiji, South Africa, England and the Ivory Coast. God has also given us several deputation meetings in the Southeast. Never before have we had so many opportunities before us. We are excited to see how God is growing the ministry.

### **The Blessing of a Suitcase**

With so many air travel trips coming up, our family was in desperate need of some new suitcases. I decided to check Facebook marketplace. I immediately found a nice hardshell suitcase for a reasonable price in a town nearby. After messaging the seller to ask for the dimensions, she did not respond. When I followed up a few days later she said she hadn't had time to measure it, but if I wanted it I could have it for free! What an unexpected blessing.

### The Blessing of Support

We are constantly reminded that without the help of each of our supporters, it would be impossible for us to continue in the ministry. We are so grateful for your faithfulness.

Would you continue to pray that God would bring along more partners in the ministry? As we look ahead at many of these trips, the cost can be overwhelming. However, we know that we have a God who always supplies for the work that He commissions.

Last year while I (Nathan) was in Iraq, I met and traveled with Pastor Nathan Barker from West Virginia. After getting to know each other on that trip, he invited us to their missions conference. We were so blessed to be part of this conference last week. Victory Baptist church went out of their way to show us their love for missions and missionaries. They went above and beyond to not only show us their love, but to love on our kids as well. We are so grateful for God's working to allow us to meet Pastor Barker and Victory Baptist Church.

Thank you so much for continuing to support and care for our ministry,

Nathan, Hannah, Grace, & Micah

Our Family with Pastor Nathan Barker and his wife Amanda.
