

## Our Prayer Letter August/September 2013

Dear Friend,

Philippians 4:19 says "But my God shall supply all your need according to His riches in glory by Christ Jesus." We have been so overwhelmed by God's constant supply for our needs as we have been on full time deputation. He has used so many people in many different places to help us along the way.

In August, we had a few weeks off of the road as we needed to move our survey trip last minute to the beginning of next year, but the Lord allowed us to send out packets, call churches, and set up many meetings for rest of this year and next year. Also, we were able to minister in the churches where we were raised. At the end of August and beginning of September, we presented the work that God has given us to churches in northwestern North Carolina, southwestern Virginia, and

southeastern Virginia. We were even able to teach in chapel and in classes at a Christian school in Hampton, VA. We praise the Lord for two more churches promising to partner with us, one of which added us to the missionary family in the middle of the service!

We ask for your prayers in three areas. First, pray as we continue to travel on deputation. Most of the fall we will be in churches in the northeast before returning to the south. Second, we ask for your prayers as we make final preparations for our survey trip in January. Third, pray for the Dominicans to be saved, baptized, and discipled in the faith!
