

January 2014

Dear Praying Friends,

Proverbs 3:5-6 says, "Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths." We are so thankful that God leads and directs us as we trust in Him!

It has been a very busy and eventful month. The Germano family brought in 2014 by packing for our survey trip. We left from Norfolk, VA on January 2nd and returned on January 14th. We had the privilege to stay and minister with Jonathan and Jeanine Autrey, fellow missionaries to the Dominican Republic. They were gracious enough to take care of us and drive us all around the island.

God again stirred our hearts for the work He has for us when we arrive. He also gave us further direction as we will labor with Jonathan Autrey and his father Ronnie Autrey while we attend language school and acclimate ourselves to Dominican life.

Upon our return to the cold weather of the States, we began traveling on the deputation trail the same week. We have been able to present in four church and school meetings in North Carolina and Virginia since beginning our 2014 schedule. We had two cancellations due to weather, but we are thankful for the willingness of the pastors to reschedule.

We have a few praises and prayer needs. We give God the glory for His protection and guidance for our family during our survey trip. He directs our paths each and every step of the way. Also, we are in the midst of raising our outfit and passage as we travel for our departure next year. Please pray as we continue to raise around \$25,000 for our set up costs, shipping, and vehicle needs once we arrive in the Dominican.

Keep on trusting in Him,
The Germano Family

Landon's News

- Turned one on January 15, 2014
- Enjoys standing and playing, along with a little walking

Support Level

- 28%

Praises

- New supporters
- Safety and guidance during our survey trip

Prayer Requests

- Scheduling for 2014/2015
- Money for our outfit and passage
- God's blessing as we minister
