

## February 2014

Dear Friend,

Psalm 118:23 says, "This is the LORD'S doing; it is marvelous in our eyes." We are amazed at what God has done in the past month in our support level as we have seen an increase of 9% since our prayer letter went out last month! Praise the Lord!

February 2014 began with a last minute Sunday cancellation, but we were thankful for the opportunity to preach in Tim's home church in Virginia. We have ministered and presented in four new churches in the month of February, ranging from the Tidewater and Shenandoah of Virginia to the mountains of West Virginia. Also, it has been good to drop in on some of our previous churches as we passed through certain areas. We are thankful for the Lord's protection while driving through a few different snow storms in the past four weeks.

We are now entering into the "season" of mission conferences. Please pray as we are extra busy in the coming weeks that God would keep us safe and give us the strength and health as we minister. Also, please pray that God would be glorified as His name is preached throughout the Dominican Republic.

Thanks be to God,  
The Germano Family
