

March 2014

Dear Praying Friend,

Philippians 4:19 says, "But my God shall supply all your need according to his riches in glory by Christ Jesus." We are thankful that God takes care of all our needs while we travel, from financial to physical strength.

During the month of March, we continued with the busy mission conference schedule while attending four conferences, two in one week, and another Sunday meeting. The Lord gave us opportunities to present the work in Virginia, Maryland, and all across Pennsylvania. The churches were so gracious, and we felt spoiled as they all took such good care of us. God used them to be a blessing to us. Also, we were amazed to see one meeting postponed and another scheduled for the exact same time. Our Lord knows and plans our schedule.

We are almost finished with the busy mission conference "season", and we are thankful for these churches giving us the privilege to join them for this wonderful week in their calendar. God has blessed in allowing us to raise over [\\$8,000 for our set up costs](#) on the field, and He has brought our support level to 37% with more support promised to begin in the coming months. We serve a great God!

In His service,
The Germano Family
