

April 2014

Dear Praying Friend

1 Corinthians 15:14 says, "And if Christ be not risen, then is our preaching vain, and your faith is also vain." I am thankful that we serve a Savior that is not dead, but He is alive forevermore!

April began with Missionary Orientation School for our mission board. We enjoyed spending a few days with Dr. Whetstone, John O'Malley, and the staff of World Wide as well as the other missionaries. We were privileged to present the ministry in the Dominican Republic to six new churches during this month, ranging from South Carolina to Pennsylvania. In addition, we were able to take part of the first few days of the mission conference of one of our supporting churches in Virginia. It was also a blessing to spend the final Sunday evening of the month attending and preaching at our sending church in Downingtown, PA.

Currently, we are at 40% of our needed support with five other churches having voted to take us on in the coming months! We praise the Lord for His provision for us. Also, God has blessed in allowing us to raise even more of the needed costs to set up once we arrive in the Dominican Republic.

Saved by Grace,
The Germano Family
