Dear Praying Friends,

November/December 2017

2 Corinthians 4:7 says, “*But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.*” Praise the Lord that He has placed the treasure of His Son in earthen vessels like us!

One of the areas in mission work and as believers that we love is sharing the Bible, especially with those who demonstrate a desire to learn more and put it into practice. Tim helps one of the men in the church in a Bible study, and they are rejoicing in seeing growth as well as some of the attendees bridging from the study to coming and participating in the church. Stephanie is

coming to a close in her Bible study with one of the teenagers at the church. This teenager has demonstrated growth and has shared with Stephanie that she desires to pass along to some of the younger youth in the church what she has learned. Pray for Stephanie as she helps this teenager share what she has learned with other faithful teen girls. The Word of God is alive and powerful to change lives for His glory! In the beginning of February, we had a revival meeting leading up to the 17th Anniversary service for New Life Baptist Church. We are looking forward to what the Lord has in store for their 18th year! Along with one of the men in the ministry, Tim has taken charge of the youth at the church. We have enjoyed working again consistently with teenagers in the church. The youth meet every Saturday evening and Sunday morning in Sunday School. Please pray as we seek to disciple those in the church as well as reach out to those in the community.

We greatly appreciate your prayers for our family in these different areas. God’s Word is not returning void in His work, and we are excited to have the opportunity to share it here on this island!

Earthen vessels with a priceless Treasure,
