

The Germano Family

Missionaries to the Dominican Republic

Dear Praying Friends,

July/August 2018

Psalm 37:5 says, “Commit thy way unto the LORD; trust also in him; and he shall bring it to pass.” The Lord desires for us to commit our way unto Him and trust that He will accomplish what He desires to do in our lives! The Lord used this verse in our hearts this summer to confirm the work that He began earlier in the year. Tim, Ronnie Autrey, and the assistant pastor at the church traveled to Barahona to do some survey work in July. Thank you to those of you who prayed for them. Through this trip as well as God’s leading on our hearts, we feel led of the Lord to move to this city and plant a church after our upcoming furlough. We have prayed for a place to plant a church as well as the timing for this endeavor for some time, and we have committed our way unto the Lord and know that He will lead and guide us. This city has 138,000 people without few clear gospel preaching churches.

We enjoyed the time off from the regular classroom duties in order to focus our attention in other areas. We have been visiting a family regularly this summer of some of the boys that play with Landon and Elena in the park. One of these boys has been faithful in coming to Stephanie’s Sunday school class during the summer. Please pray as we seek to reach him and his family and continue inviting them to church. A few weeks ago following Stephanie’s lesson, one of the girls in the class asked to know more about salvation, and she placed her faith in Jesus Christ. Pray as we continue to encourage her and her walk in Christ.

We are scheduling more meetings for our furlough next year. Many of you have contacted us already and set a date. We are looking forward to being with you and reporting about this first term. We will be in the United States from May 2019 until March 2020. Please pray also for open doors for new meetings as we will need to raise additional ministry support for this new church plant in Barahona.

Committing our way unto Him,

The Germano Family

Praises

- Soul saved
- Preaching opportunities
- Successful trip to Barahona
- God’s leading for the future
- Start of the new school year
- New students in our Sunday school classes

Prayer Needs

- Sunday School classes
- Resurrection Baptist Seminary
- New Life Baptist Church
- New Life Christian Academy
- New Sunday school students and their families
- Upcoming furlough
