Dear Praying Friends,

John 15:5 says, *"I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing."* May we abide in Christ and look to His help for everything that we do so that we can bear much fruit for Him!

Thank you for your prayers for our various Christmas outreaches and activities here at New Life. The end of December and beginning of January were full of many special events such as the church's Christmas service, national pastors' banquet, and visits to an orphanage and a sugarcane village. In

January, we began the spring semester in the academy as well as in the seminary. We are thankful for the new students who have enrolled in the seminary as well as for those who are coming to the end of their studies with us. New Life Baptist Church celebrated their anniversary the first Sunday of February, and our people worked very hard to invite and bring visitors for this special day. We have been working with and inviting the family members of Stephanie's students from the neighborhood in Sunday school for over a year, and most of them came and heard the gospel clearly preached! During the past two months, Tim had the privilege to pulpit fill for a fellow missionary for his midweek services as well as preach a couple's banquet for one of the local churches.

We are only two months away from our first furlough. We would appreciate your prayers as we transition to this next phase. We are beginning to turn over our responsibilities here to other workers as well as preparing for our eleven months in the United States. Also, please take a moment to view our latest ministry update video as well as a short interview by Landon and Elena about the Dominican Republic on our website.

Abiding in Him,
The Germano Family
