

## Praises

- Blessed first term
- Souls saved
- Safe return to the United States
- Graduation
- Vehicle purchase
- Special gifts received for the new church plant in Barahona
- Time with friends and family

## **Prayer** Needs

- Sabiel and Yubelkis' spiritual growth
- Furlough travels
- New support
- Last few remaining openings on our schedule

## The Germano Family

Missionaries in the Dominican Republic

March and April 2019

Dear Praying Friends,

It seems like last month and like much longer at the same time since we were in the United States. Thank you for your prayers for us as we finalized everything for furlough and transitioned from the ministry at New Life Baptist Church in Santo Domingo to our time on furlough reporting to our churches.

In March, we hosted a fellow missionary family on their survey trip. We enjoyed the time of fellowship as well as sharing with them the place where God has called us and what He has done in our hearts. We wrapped up teaching at the academy and seminary the week before Easter and began to pack up and prepare for our trip. We were blessed by the special service and send-off from the ministry by the Autreys and the church

family. We were sad to say good-bye but excited about what the Lord has in store for these believers! God allowed us to see two wonderful blessings the last two weeks in the Dominican. One of the family members of the students in Stephanie's class visited on Easter and trusted Christ as her Savior. We invited her to church while visiting the day before and were rejoicing to see her come and trust in Jesus. The following week on our last Sunday, one of the boys in the class from our neighborhood who has been attending for the last year arrived in class more reflective than usual, and after the lesson, he came forward to trust in Christ as his Savior! Please pray for them as they grow in the Lord.

We arrived in the United States on May 1, and we immediately headed to Fredericksburg to celebrate Tim's graduation with his masters from Veritas Baptist College. Afterwards, we were able to purchase a vehicle for furlough as well as receive stateside phone numbers. Our number for our time on furlough is (757) 216-9213. Please pray as we travel many miles visiting our supporting churches as well as new churches and share what God has placed on our hearts to continue doing once we return to the Dominican Republic next year.

Blessed by God, The Germano Family
