

LOOKING BACK

We are praising the Lord for His goodness as we have traveled many miles from Pennsylvania to Florida and had the opportunity to visit a number of our supporters. We were in four churches and three conferences in September and in eight churches in October. Four of the churches were new, and one of these voted to take us on at the end of the meeting with others giving verbal commitments for the future.

One of the highlights in September was the mission conference at our home church. We really enjoyed spending quality time with the Faith Community family. During the Sunday morning service, the church surprised us by presenting us with a large check for the new church plant in Barahona. The people sacrificially gave above and beyond in order to help us as we launch out to Barahona next year!

LOOKING FORWARD

We will continue with a busy schedule until the second week of December, and our travels will take us from North Carolina to Ohio. We are looking forward to visiting many of you before the end of our furlough in April. Please pray that the Lord would supply the remaining 10% of our support. We are rejoicing on how He has already supplied so much for our move as well as for the new church. Also, please pray that God would begin working even now on the hearts of those in Barahona.

PRAISES

- Many sacrificial gifts to our set up funds for the new church plant and for our move
- New support promised
- Great meetings
- Opportunities to visit family

PRAYER NEEDS

- Furlough
- Safety in traveling
- Remaining 10% of our support
- New work in Barahona

VIDEO UPDATE

We have uploaded a video prayer letter to our website. It includes the information from this letter as well as some pictures and videos of the events of the previous months. We hope that you take time to check it out.
