

# GERMANO UPDATE

November and December 2019

## LOOKING BACK

We have finished our furlough travels for 2019. The months of November and December brought us to the states of North Carolina, Virginia, West Virginia, and Ohio. We were privileged to take part in a mission's conference, and we also gave updates for a number of mission month services along with our regularly scheduled meetings. We were in seven of our supporting churches and four new ones. God blessed in the meetings, and some of these new churches informed us that they would like to support us soon. Our current support level is 92%! We are grateful for our new supporters as well as a few of our churches which recently raised our monthly support. Another highlight from the month of November was the opportunity to attend Stephanie's brother's ordination, and Tim was able to serve on the ordination council.

## LOOKING FORWARD

We are enjoying time with family and friends during the Christmas season, and we are making plans for our final three months of traveling in 2020. We will be in at least another seven of our supporting churches and in seven new ones as well. We prayed that we could visit as many of our supporters as we could, and we will be in almost all of them before we head back to the field in April. We hope that you all have a Merry Christmas and a Happy New Year! We are looking forward to what the Lord has in store for our family and for you in 2020!
