

GERMANO FAMILY UPDATE

JANUARY & FEBRUARY 2020

LOOKING BACK

In January and February, we were privileged to give a report in seven of our supporting churches and to present in six new ones. We have seen our support grow to 98% in the last two months! God is good! Two special highlights since our last prayer letter are the salvation of our daughter Elena and one of the people that we worked with in the Dominican Republic. Elena has been asking about salvation for a number of months, but we took our time to make sure that she understood everything. On January 23, Stephanie and I had the privilege to share the gospel with her again, and she trusted Christ as her Savior! Also, the grandmother (and adopted grandmother) to all of the children that Stephanie brought to church each week in the Dominican Republic was saved during February. We had talked with her a number of times about her spiritual need. We had invited her many times to church, and while we were there, she came a few times. She was invited by the church members to attend the anniversary service at New Life a few weeks ago, and she trusted Christ!

LOOKING FORWARD

We only have a few meetings left for our first furlough, and we are looking forward to our second term on the field. We purchased our plane tickets for April 2! Would you join us in praying for the following things? Please pray as we say good-bye to family and friends this coming month. We are also praying about selling our vehicle here and purchasing the right vehicle there. Also, would you join us in praying as we will renew our visas once we land in the DR? It can take around two months from start to finish. Thank you so much for sharing with us in prayer. We know that our God hears and answers prayer.
