## Looking Back

We have been waiting for the Dominican Republic to open its borders the past few months. Like in many places, it can be a week-to-week change to the various phases and schedules. During our time in waiting, Tim along with the assistant pastor at New Life in the Dominican started an adult Sunday School class on Zoom. The class meets every Tuesday evening, and they have already met six times. Please pray for the members and visitors of the class as well as for God's continued blessing. Tim has also preached a few times virtually for New Life Baptist Church as well as at our sending church in Pennsylvania.

In preparation for an outreach opportunity in Barahona, Tim began a podcast entitled "Truth Applied". His goal is to use this podcast to encourage people to dive into the Word of God and apply it in their lives. He has a number of episodes available in English, and once we return to the Dominican Republic, he will also record the episodes in Spanish as a way to reach out to the Dominicans.

## Looking Forward

We were originally scheduled to return to the field on April 2, but the president of the Dominican Republic closed the borders to all foreigners until the beginning of August. This date has since changed a few times, ranging from the beginning until the end of July. As soon as the country opens, we will purchase our tickets to return. Please pray that God would give us wisdom in when to return. Also, continue to pray for the needs of the believers in the Dominican Republic. Many have been suffering since the closure of most businesses at the end of March. Praise the Lord that things are beginning to open back up. We are praying that the leaders in the Dominican as well as our leaders here in the United States continue to have wisdom in moving forward during and after Covid-19.

In Christ,

The Germanos
